

## Camp Herrlich's Before and After School Programs Frequently Asked Questions:

**Q. When should I pay for the month and how is the pricing worked out?**

**A.** You will get an invoice for the next month's charges at the beginning of the month. Please pay before the month starts. We have automated credit card billing! Please see Jessica or your site director for the form. The price per month is based on 180 school days. We factored a price per day, multiplied it by 180, and divided it by 10 months. That's why the price doesn't vary even if there are vacation days during particular months.

**Q. Will my child get their homework done at the After School Program?**

**A.** We guarantee at least 45 minutes of homework time Monday through Thursday. If your child has special homework needs or has another after school activity like dance or sports, please make the site director aware so we can make extra time on those specific days.

**Q. Is there scholarship available?**

**A.** There is scholarship available for the Advantage After School Programs through a grant we receive from New York State. Please ask your site director for a scholarship form.

**Q. What if I need to change the days my child attends?**

**A.** Day changes are rarely a problem, so please do the following: Let the Camp Office know as far in advance as possible, let the site director at the program know, and write a note to the school to let them know.

**Q. What if my child will not be attending on a specific day?**
